

# OSiS

People have many sides to their personality and style they wish to express: sometimes you want to look posh, sometimes wild... Depending on how you feel, whether you are going to work or a hip club, you always want your style to fit the occasion.

**OSiS** – the art of contradiction enables everybody to reveal all their different sides.

**OSiS** products are specifically designed to create styles that excite and inspire: use 1 product to create 2 contradictory looks or mix 2 products to create 1 look to contradict.

**OSiS** invites you to be adventurous with your hair styling by offering an endless variety of styling opportunities, to suit every mood and occasion.
